

**PRODUCT DATA SHEET
LUBRALL CLEAN-ECO**

Lubrall Make Cleaners introduces CLEAN-ECO, a revolutionary, eco-friendly, and biodegradable cleaning solution designed for heavy-duty use while being gentle on the environment and safe for users. formulated Specially for Cast Iron and Mild Steel components as well as plastic parts.

Key Features of CLEAN-ECO:

- **Eco-Friendly:** 100% biodegradable, minimizing environmental impact.
- **Superior Cleaning:** Effortlessly removes tough dirt, grime, and grease from industrial machinery, automotive parts, and household surfaces.
- **Highly Economical:** Concentrated formula provides excellent value and versatility for various cleaning tasks.
- **Heavy-Duty:** Ideal for workshops, garages, factories, and other demanding environments, effectively removing oils and heavy residues.
- **Safe:** Free from harmful phosphates, butyl chemicals.

CLEAN-ECO combines powerful cleaning performance with environmental responsibility, making it the perfect choice for both industrial and household applications. Choose CLEAN-ECO for a cleaner that cares for both your needs and the planet.
