

PRODUCT DATA SHEET

LUBRALL CLEAN-B

Lubrall Make Cleaners presents CLEAN-B, an effective water-soluble alkaline degreasing and cleaning compound designed for metal preparation processes.

Key Features and Applications:

- **Water-Soluble:** Easy application and rinsing.
- **Metal Preparation:** Ideal for cleaning metals before anodizing, blackening, electroplating, galvanizing, and phosphating.
- **Contaminant Removal:** Excels in removing oils, grease, carbon deposits, dirt, and soils.

Benefits of LUBRALL CLEAN-B:

- **Superior Cleaning:** Ensures metal surfaces are thoroughly cleaned and ready for finishing.
- **Versatile:** Suitable for automotive, manufacturing, and metalworking industries.
- **Cost-Effective:** Concentrated formula provides excellent value.
- **Enhanced Preparation:** Improves adhesion and finish quality by ensuring surfaces are contaminant-free.

In conclusion, LUBRALL CLEAN-B is the go-to solution for reliable and effective metal cleaning, ensuring impeccable preparation for finishing processes.

Appearance:	White Powder
Odour:	Odourless
Specific Gravity:	Not Applicable
Ph Of 5% Solution:	10.5-11
Flash Point:	NA
Active Matter:	100%
Refractometer Factor:	Not applicable
Biocide	NA
Sulphar %	NA

Packing: - 210 Liter drum.

NON-WARRANTY: The information in this bulletin is based on our experience and tests which we believe to be reliable, but offer no guarantee and accept no responsibility for operations not under our direct control.
